

Book Criteria

Fiction

- Early, easy readers, beginning chapter books, some pictures, not very long, generally larger print
- Children's picture books
- Teen young adult fiction
 - Generally not longer than 250 pages
 - Well defined chapters

Categories

There is a great need for varied fiction. Most children are barely aware of what a mystery or science fiction story is.

- African stories – greatest need
- Mystery
- Science fiction
- Romance
- Sports stories
- Humor

Non Fiction

- Biographies and autobiographies
 - African focus encouraged, but all types are welcome
- Biology
- Science
- Adult parenting – for the adult staff (they have expressed interest in more of these books)
- Guidance counseling, how to
 - Need to make sure it is not dated or too specific to US customs
- Text books: reading, short stories, history

NOT Currently Needed

We currently have an abundance of Christian books - *however* we always welcome any that are geared to younger /easier readers

- Encyclopedias
- Classics
- sex and intimacy

Books more focused on US

- When Parents Need Us Most
- Powerful presentation skills

The Melatonin Miracle
